NOTICE

To All Sunday School Superintendents and Workers of Fallsburg and Bear Creek District:

We are urgently requesting every Sunday School Superintendent of Fallsburg and Bear Creek district to lead out at once in the campaign for Go To Sunday School Day, May 4, and put forth your greatest efforts to reach the goal set for our district this year which is 1000.

The record of 1919 is rapidly being recorded in the World's history. A new era is dawning for us, a world wide vision is opening up to each of us of the great future—rebuilding of God's Kingdom.

Then let us fellowworkers, one and all, win this great battle by entering into the thickest of the fight as did our noble soldier boys by their faith, courage and heroism in winning the world war.

God helping us, let us put every Sunday School "over the top."

GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly. Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then it would last two weeks, and was so weakening, and my health was awful."

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children. Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.
